Columbia Footprint

Strong retail system of 140 branch locations in the Pacific Northwest built through de novo branching and strategic acquisitions

Integration of West Coast Bank

- Transaction closed April 1, 2013; the quarterly earnings accretion after the first full year was realized during fourth quarter, 2013.
- Estimated annual cost savings of \$20.9 million have been identified, with \$18.8 million implemented as of year-end 2013.
- Merger related expenses for the transaction totaled \$27.3 million through year-end 2013, and are expected to approximate the \$30.0 million estimated when the deal was signed.
- Core data conversion completed third quarter, 2013.
- Loan and deposit production consistent with legacy Columbia Bank footprint.

2013 Effective Yield = 2.42%

As of December 31, 2013

Strong Capital Measures

Columbia Bank's capital is well in excess of regulatory minimums.

Priorities Moving Forward

- Successfully conclude the final integration of Columbia and West Coast systems and procedures
- Maintain external focus; continue business development and sales management efforts to increase market share; emphasis on growing loans
- Continue emphasis on expense control and growth in non-interest income
- Focus on Core Deposits; developing new and existing customer relationships
- Continued commitment to remain a true community bank
